

**INTERNSHIP: PUBLIC/PRIVATE PARTNERSHIPS
FOR CONSERVATION INITIATIVES
QLF CANADA OFFICE, MONTREAL, QUEBEC**

The Quebec-Labrador Foundation is seeking one Intern to assist in developing and strengthening local partnerships and planning community initiatives, working out of the QLF Office in Montreal, Quebec.

Historically, QLF programs engage the next generation of environmental leaders in projects that focus on community-based conservation, protecting biodiversity, and promoting local cultural heritage. The Public/Private Partnerships for Community Initiatives Intern will assist in expanding QLF's presence and impact on the Island of Montreal. The Intern will assist in identifying local partners and designing, coordinating and implementing community engagement, projects and special events in line with QLF's mission.

The ideal Intern will possess strong interpersonal skills, which will enable them to build and maintain strong relationships, have excellent communication and presentation skills, be fluent in English with a working proficiency in French, be self-motivated and willing to take initiative, have strong organizational/coordination skills and be a community-focused person passionate about the environment.

QLF is seeking one university student to fill this Internship preferably with experience in conservation or the environment.

*Preferred Language: Bilingual preferred.
Dates of Internship: TBD June – August 2019
Application Deadline: March 15th, 2019*
